

3rd World Congress on
Clinical Lipidology
10 – 12 February, 2017 | Brisbane, Australia

Associate Professor David Colquhoun is a cardiologist who has been in private practice in Queensland for more than 30 years. He has been involved in clinical practice and research in the fields of cardiology, lipids, nutrition, diabetes, obesity, nutraceutical and psychological aspects of heart disease. His private clinical research unit, Core Research, is currently active in 17 trials. He is Australian lead investigator in two trials.

A/Prof Colquhoun is the AMA spokesperson for Cardiology in Queensland. He is a Board member of the Queensland branch of the National Heart Foundation of Australia (NHFA); a member of the Scientific Committee of the National Institute of Complementary Medicine (NICM); a member of the Scientific Committee of the Gallipoli Medical Research Foundation (GMRF) based at Greenslopes Private Hospital; and Chair of the Preventive Cardiology Council of the Cardiac Society of Australian and New Zealand (CSANZ).
